## JOY OF OWNERSHIP

Owning a GM vehicle is a joyous experience, one that lasts for years and makes GM owners very proud.

During the ownership period of your vehicle there are many seemingly little incidents along the path of vehicle ownership that can detract not only from the appearance of your vehicle but also, it's value.

With Chevrolet Buick GMC Cadillac Multi Protect Plan, more than peace of mind is enhanced; the resale value of your vehicle can be too.

**WINDSHIELD PROTECT** Minor chips and cracks that occur on the front windshield will be repaired. For minor cracks and chips that cannot be repaired using the standard windshield repair process we will pay up to \$500 toward the replacement of a new windshield.

**KEY PROTECT** In the event that your key fob is lost or destroyed, we will pay for a replacement and reprogramming by your GM dealer.

**DENT PROTECT** Minor dents (as long as the paintless dent repair process can repair the dent) will be repaired, protecting your vehicle's factory finish.

**RIP, TEAR AND BURN PROTECT** Minor rips, tears or burns on the upholstered seats of the vehicle will be repaired.
